

Wisconsin Student Nurses Association

Fall 2006

Dear Nursing Student,

Hello! My name is Eileen Bauer and I am the Executive Vice President of the Wisconsin Student Nurses Association. The 58th Annual WSNA Convention will be held February 2 – 4, 2007 at the Kalahari Resort and Convention Center in Wisconsin Dells. I am working hard to organize an impressive event this year.

Friday night will start with our marvelous tradition: Nursing Olympics. Gather a group of four and be ready to show your skills! On Saturday morning, we are planning to have over 50 exhibitors from various hospitals, clinics, nursing schools, and supply companies.

Saturday and Sunday will continue with breakout sessions with speakers on cardiac and lung assessment, enhancing your nursing skills, wound care, donor services, critical lab values to know, living wills / advanced directives, Kaplan mini-NCLEX review, and transitioning from NS to GN to RN. Please bring your stethoscope to convention as you will need it in the breakout sessions. Also please bring your driver's license in order to take part in our "Share Your LIFE Through Nursing" by signing up to an organ donor.

Please feel free to contact me by phone or email with any questions that you may have about the convention. Further information, updates, and ONLINE registration concerning convention can be found at the WSNA website, www.wsna.net.

Good luck during the upcoming semester and I hope to see you at the convention!

Sincerely,

Eileen Bauer
WSNA Executive Vice President
